To my very valued Patients, Colleagues and Friends,

Thank you isn't enough to convey my feelings of appreciation for the trust and confidence you have placed in me over our years together. Being your dentist has been very rewarding both personally and professionally. I have been touched through the years by the warmth and gratitude you have shown. "YOU" have made my professional life very gratifying ! Consequently, it is with mixed emotions that I write this letter.

After much thought and deliberation, I have decided to transition the ownership of my practice to a very competent and caring successor, Dr. Shyama Subhadarsini. I am certain you will enjoy her as much as I, it is my firm belief that she is an excellent "fit" both professionally and personally to my practice.

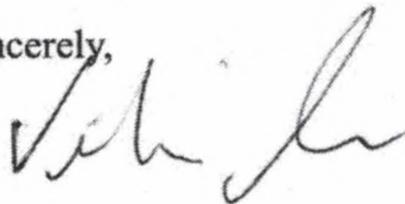

Dr. Shyama Subhadarsini graduated from the prestigious University of California, San Francisco, School of Dentistry. She is an excellent clinician and has extensive post-doctoral training in restorative and minimally invasive dentistry. Dr Shyama's warm smile and friendly attitude truly embodies the caring and positive atmosphere that is sure to be a major part of every patient's dental office experience. She earnestly looks forward to treating each patient as an individual with utmost compassion and respect, as if you were a member of her family. She is also an active member of the Santa Clara County Dental Society, American Dental Association and local study clubs.

It truly comforts me to know you will be in caring and competent hands and will be treated fairly as well. I am very thankful to have found an ethical, quality dentist to preserve and maintain your dental health at an optimum level. Dr. Shyama is a compassionate and calm individual whose practice philosophies, ideals, ethics and way of interacting with people are similar to my own.

As of 9/15/2021 Dr. Shyama will be providing dental care although I will not be in the office, I will be helping her remotely with the transition. My dedicated, wonderful and loyal staff will remain in the practice and is looking forward to helping make this transition as smooth as possible.

I will miss all of you very much. My profound thanks for all the years together, the memories we have shared, the laughs and the love.

Sincerely,

Ventsislav Lazarov DDS
